EDUCATION

2022 present

SRI LANKA INTERNATIONAL BUDDHIST ACADEMY (SIBA CAMPUS)

- Bachelor of Science in Information Technology

2018-2021

SRI LANKA INSTITUTE OF ADVANCED TECHNOLOGICAL (SLIATE)

- Higher National Diploma in Information Technology

PROFILE

An undergraduate student who pursued a degree with over 5 years of experience in the Information Technology sector. Possessed extensive knowledge and hands-on experience with databases. Demonstrated strong analytical skills, attention to detail, and a commitment to maintaining high standards in software quality assurance. Successfully led a team in a 6-month AI development project, contributing significantly to its success through rigorous testing.

WORK EXPERIENCE

Orel IT , Kurunegala   2018-2019

AIP - Associate Image Processor

- Extracted meaningful information from textual data using text annotation services. Added metadata, labels, and annotations to enable machines to categorize text into different topics or classes, identify entities or named entities, tag parts of speech, and perform sentiment analysis.

ACADEMY HISTORY

SIBA DYNAMICS   2024 - Present

- Worked as an intern at SIBA Dynamics, a sub-department of SIBA Campus. Managed the team as the head and successfully delivered several projects according to client requirements.

- Created various projects and documents, including the SRS, ER diagrams, project reports, project proposals, and additional documentation. These projects included the IRIS Project, HR Management System, and other dynamic website projects.

- The dynamic website was initially modeled using the Figma web design tool to ensure an intuitive and user-friendly interface. All relevant information was organized into comprehensive reports and documentation to support the successful completion of these projects.

Certificate of English course   2021

- 6 Months Certificate English course completed.

G.C.E (A/L) - 2016   **G.C.E (O/L) -2013**
